Ex — Product version for use in potentially explosive atmospheres in Zone 2 (only available within the European Union)

i — All "Easy Click" and foam adapters are only to be used in combination with the holding cup "turquoise" (Ref. No. 72850) or the optional holding cup "black" ((Ref. No. 72851) The holding cup turquoise is included in the scope of delivery of the ROTOGEN 2.

i — To avoid foaming, we recommend removing the vent hose of the Colad Snap Lid System® during mixing.
